2026-2027 Dependent Verification Worksheet

Tracking Group 5

Your 2026-2027 FAFSA was selected to be reviewed for verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet along with any other required documents. If there are differences, your FAFSA information may need to be corrected by the Office of Financial Aid. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit them to the Manhattan Tech Office of Financial Aid. If you have questions about verification, feel free to contact us. We encourage you to complete this verification as soon as possible, so that your aid will not be delayed.
