2026-2027 Independent Verification Worksheet

Tracking Group 5

Your 2026-2027 FAFSA was selected to be reviewed for verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet along with any other required documents. If there are differences, your FAFSA information may need to be corrected by the Office of Financial Aid. You must complete and sign this worksheet, attach any required documents, and submit them to the Manhattan Tech Office of Financial Aid. If you have questions about verification, feel free to contact us. We encourage you to complete this verification as soon as possible, so that your aid will not be delayed.

Independent Student's Income Information to Be Verified

Note: If a spouse was reported in the Independent Student's Family Information section of this worksheet, the instructions and certifications below apply to both the student and their spouse. Notify the Office of Financial Aid if the student and spouse filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

A - Did the Student file a 2024 Tax Return? If "NO" then skip to section B

Instructions: Complete this section if the student filed or will file a 2024 IRS income tax return(s). As part of federal student aid eligibility, students will be required to consent and approve sharing and importing income and tax information from the IRS via the Direct Data Exchange (FA-DDX) to the student's FAFSA application, even if the attempt to obtain or use such data is ineffective. If successful, in most cases no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If the 2024 income tax information for the student was not available or could not be used, the student should provide the institution with a **2024 IRS Tax Return Transcript(s)** or a **signed copy of the 2024 income tax return and applicable schedules**.

A 2024 IRS Tax Return Transcript may be obtained through:

- **Get Transcript by Mail** - go to www.irs.gov, click "Get your tax records and transcripts," then click "Get Transcript by Mail." Be sure to request the "Return Transcript" and NOT the "Account Transcript." Transcripts are generally received 10 business days from the IRS's receipt of the online request.
- **Get Transcript Online** - go to www.irs.gov, click "Get your tax records and transcripts," then click "Sign in to your online account." To use the Get Transcript Online tool, the user must have an existing ID.me account or have photo identification ready so that a new account can be created using ID.me. Be sure to request the "Return Transcript" and NOT the "Account Transcript." The transcript(s) will display upon successful completion of using an existing or creating a new ID.me account.
- **Automated Telephone Request** - 1-800-908-9946. Transcripts are generally received 10 business days from the IRS's receipt of the online request.
- **Paper Request Form** - IRS Form 4506-T-EZ or 4506-T. Transcripts are generally received 10 business days from the IRS's receipt of the online request.

B - Complete this section if the student and spouse (if student is married) will not file and are not required to file a 2024 income tax return with the IRS: skip this section if you filed a return.**
