

This course follows the curriculum specified by the Kansas Department for Aging and Disability Services (KDADS) for instruction of persons planning employment as Certified Nurse Aides in long-term care facilities or pursuing health care careers. Outside-of-class reading, and homework assignments are required. After successful course completion, the student is eligible to take the state test to be credentialed as a Certified Nurse Aide (CNA) in Kansas.

This course has both online and face-to-face components. Assigned readings and assignments are posted online and must be completed prior to each class/lab meeting. Discussion and skills are addressed during face-to-face class/lab sessions at MATC. Students must be able to consistently access the Internet to obtain & complete course assignments by due dates. Allow minimum 4-6 hours for coursework preparation prior to attending each of the class sessions. Students may use their personal computer or a public computer (school or public library). Classes will not be cancelled due to weather. If weather related college closure, Zoom meetings will be held for lecture.
