\*The MATC Foundation was incorporated in 2006 to promote private support of the College. It is a 501(c) 3 non-profit entity and contributions to the Foundation are tax deductible. The Foundation is governed by a volunteer board of trustees, representative of citizens and businesses throughout the college's service area. The MATC Foundation serves the entire service area with membership opportunities from all six counties: Clay, Dickinson, Geary, Marshall, Pottawatomie, and Riley.

I \_\_\_\_\_ acknowledge that all scholarships must be deducted from my Cost of Attendance (COA), a combination of my direct billed costs (MATC tuition & fees) and indirect expenses (transportation, housing & personal expenses), based on my enrollment, program and living situation. I understand that generally, I (the student) cannot receive any aid in excess of my COA. I understand that if any funding for the academic year exceeds my COA, the amount of student loans I qualify for may decrease. It is my responsibility to contact the financial aid office for any questions/concerns regarding my COA.
