

2021 STUDENT MOBILE/LAPTOP PRINTING INSTRUCTIONS

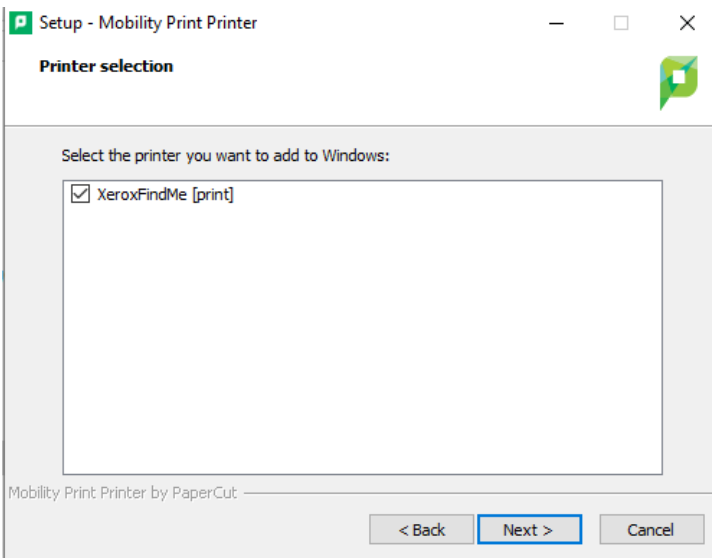

To print from your mobile device/laptop

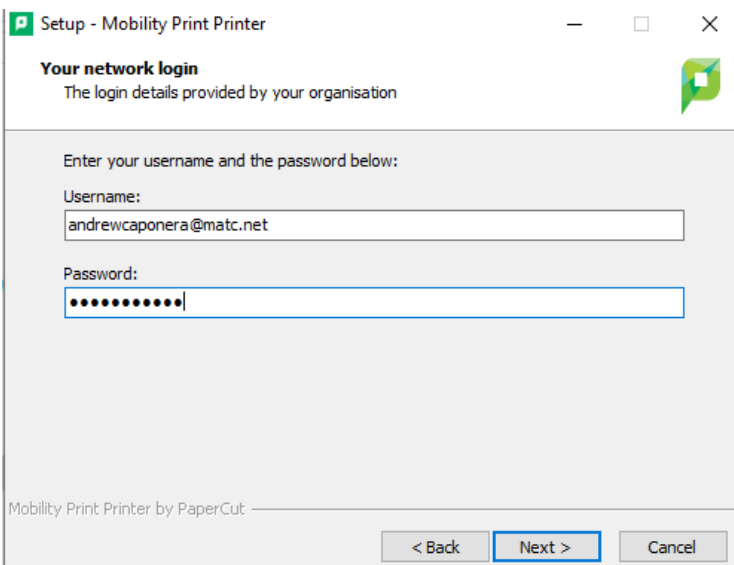

<http://print.matc.net:9163/setup>

Auto detects kind of computer for client install

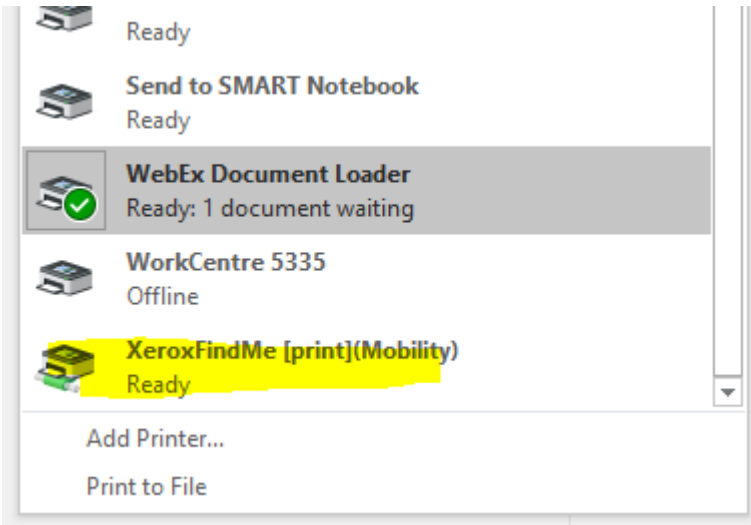

Follow on screen instructions.

Going through the installation, you will need to select the printer from a list. Make sure to select "XeroxFindMe"

The next page you will need to enter your _____@matc.net or ID card credentials.

Once you complete this process you should have the “XeroxFindMe [print] {Mobility}” as a printer option.

At the Xerox you will see this screen once logged in. Then you can release your print jobs, or make copies by going to access device.
